

Vale Von der Wehl | Makeup & Hair Supervisor

Vale was given the opportunity to be trained as a Makeup Artist by the legendary Fashion Designer and Makeup Guru, Mary Quant.

For the last 18 years, Vale has become a key figure among celebrities, producers and directors. Taking inspiration from photography, art, people, colour and music, and being able to create characters from start to finish is what Vale enjoys most.

Vale has contributed with great passion to the film, TV, fashion and theatre industries, often travelling all over the world to shoot high profile campaigns. She has worked on feature films such as Pirates of the Caribbean, Snow White and the Huntsman and Cats.
