

Stephen Wright | Supervising Art Director

Stephen has over 25 years of experience in the TV & Film industry working across a multitude of locations and studios, both in the UK and internationally, and is BFDG nominated. Having studied at Kingston under Moira Tait he continued his training at the BBC where he worked on a variety of productions encompassing comedy, single dramas and various drama series. This has led to a continuing involvement in HETV drama productions where he can apply his extensive knowledge and expertise as a Supervising Art Director/Art Director. With an excellent understanding of set construction and budgeting he is a highly valuable team member to have in the Art Department.
